

# Year of the Peer Joins C-Suite Radio Family and Announces Q2 Schedule

C-SUITE Radio™

C-Suite Radio Chairman, [Jeffrey Hayzlett](#) recently welcomed **Year of the Peer with Leo Bottary** to the C-Suite Radio family, “Leo leads conversations about leadership, collaboration, and our future, that you just won’t get anywhere else. If you’re a leader of any organization at any level, or you want to be one someday, this show is for you.”
